Site Analysis

Steep Canyon Trail Head, Steep Canyon Drive, Diamond Bar, CA. (909) 397-4475

SITE :

Summit Ridge Trail System

The Summit Ridge Trail System consists of three trail systems that connect Summit Ridge Park with Diamond Bar Blvd. via Clear Creek Canyon Rd. The Summit Ridge Trail System is approximately 3.5 miles. The Canyon Loop Trail is approximately 1.35 miles. The Grand View Route is approximately .55 miles. The Ridge Route is approximately 1.60 miles. The Ridge Route and Grand View Route are classified as difficult, while the Canyon Loop Trail is moderate to difficult.

CURRENT AMENITIES & USES :

There are two trail head access points at Summit Ridge Park, an access point at Peak Court, Wynnewood Drive, Dare Court and Clear Creek Canyon Road. There are existing view areas and benches along the trail.

RECOMMENDED PRIORITIES AS FUNDING BECOMES AVAILABLE :

New trail head access point and signage

ADDITIONAL IMPROVEMENTS DESIRED BY THE COMMUNITY:

Addition of level pad and benches at view area

ESTIMATED FUNDING NEEDED :

Trail head access point and signage with trail improvements	$300K
Level pad and benches at viewpoint area	$50K

POSSIBLE FUNDING SOURCES :

Trail improvements are funded from Trail and Transportation Grants, Open Space Grants, City General Fund, and cooperative agreements with the California Conservation Corp. Trail improvements can also be accomplished through community service volunteer projects.
